«Center of competence for precise mechanical parts»

«Moving History»

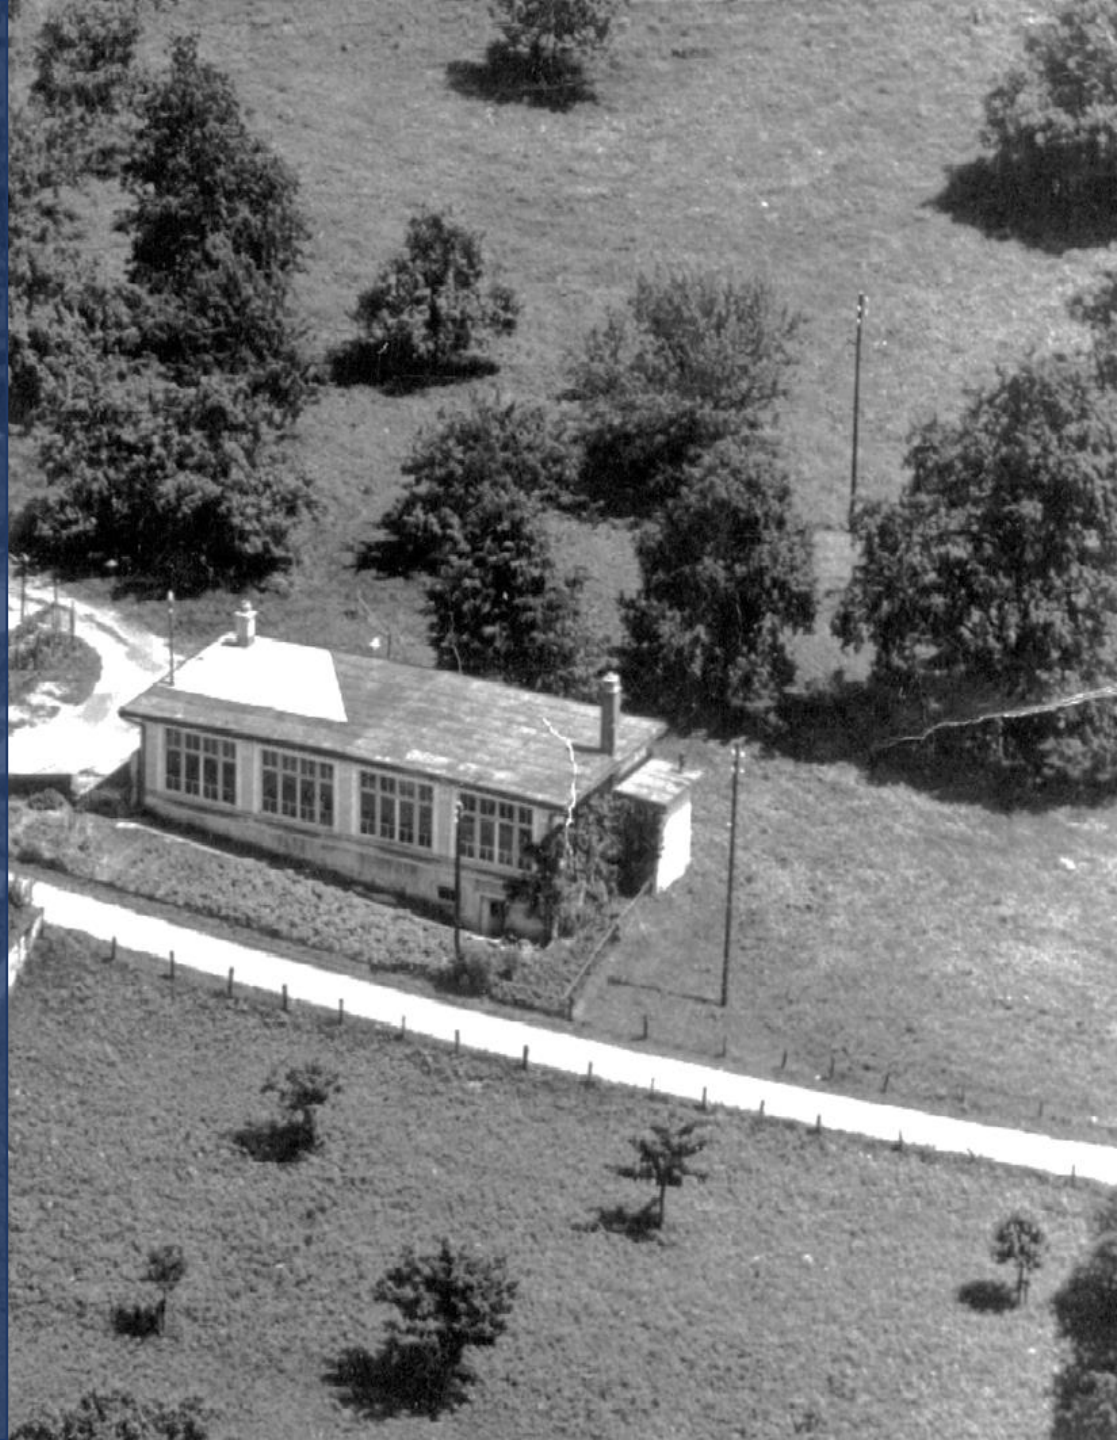
It all started in 1946 with ingenuity in the coal-basement of this tiny workshop.

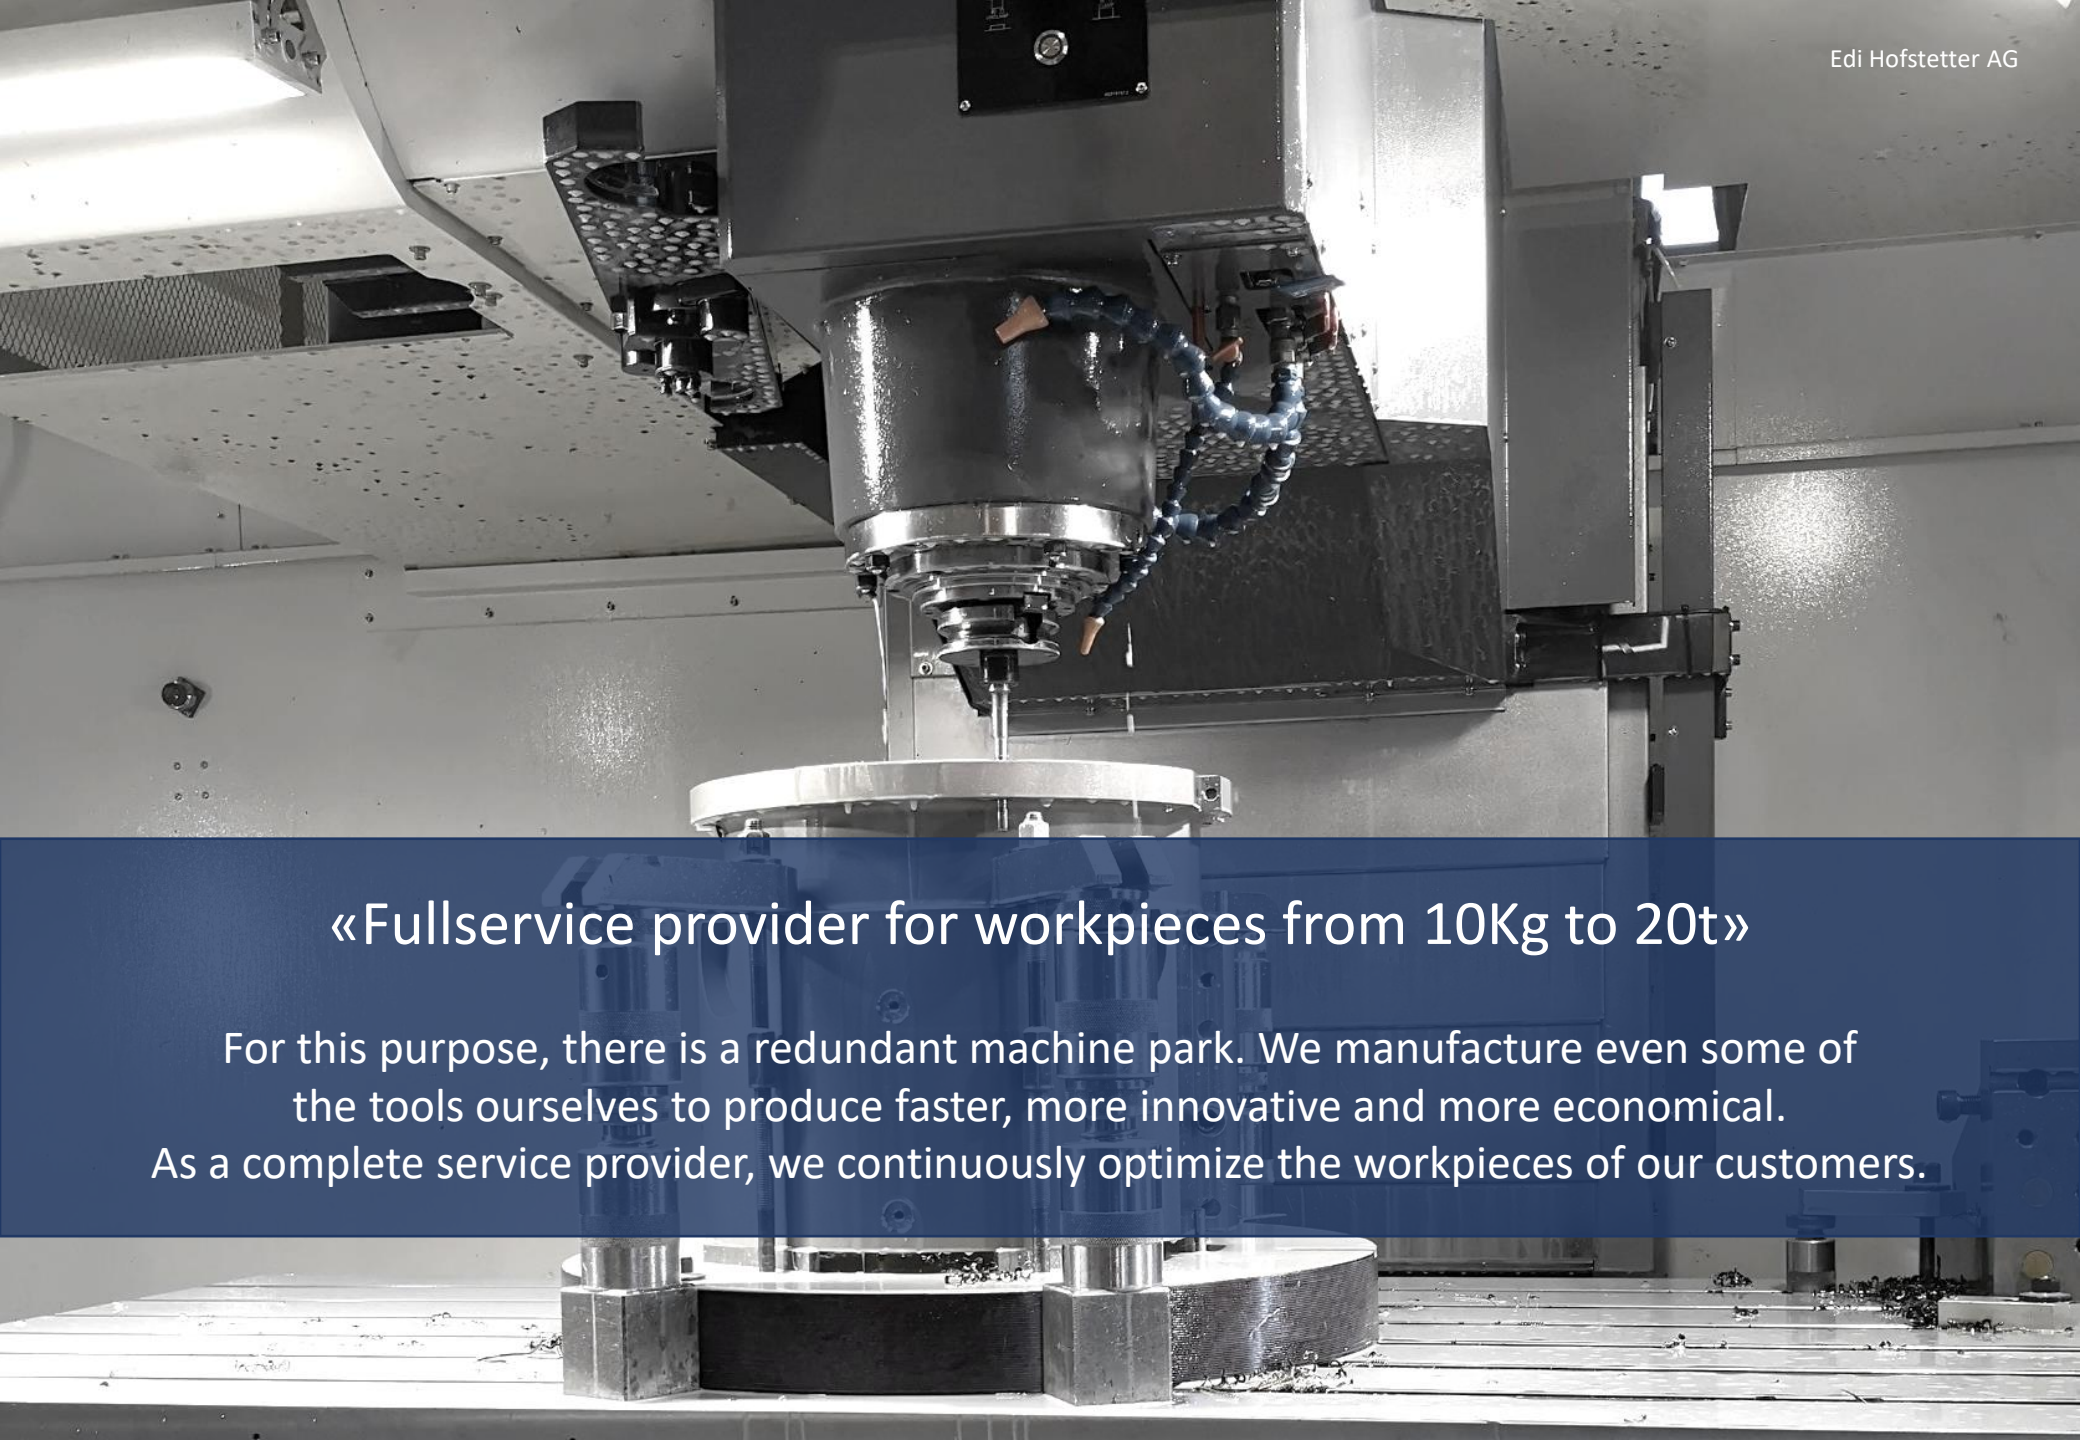
Today, more than 10 times as much space is required as we became an advanced competence center for precise mechanics.

What remained from past times are the spirit of inventors and the foundations of the workshop.

We are currently planning a further expansion of our property after 1964, 1984 and 2002.

Let’s grow together.





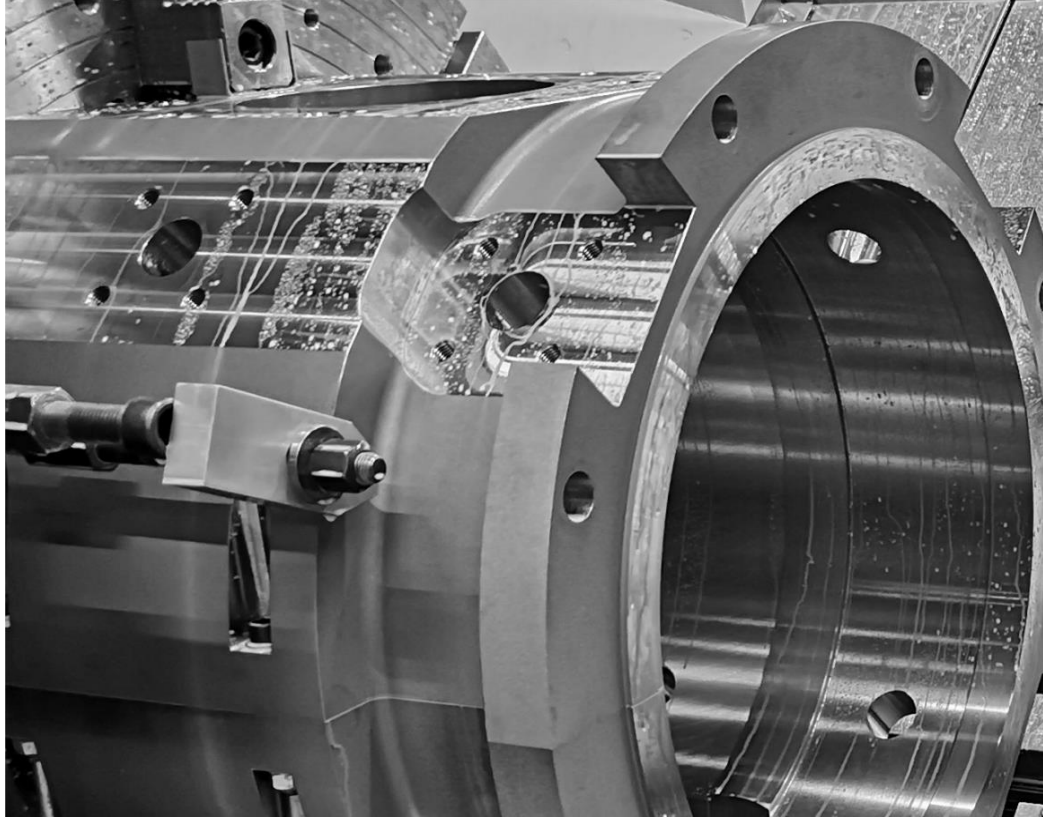
Edi Hofstetter AG

«Fullservice provider for workpieces from 10Kg to 20t»

For this purpose, there is a redundant machine park. We manufacture even some of the tools ourselves to produce faster, more innovative and more economical.
As a complete service provider, we continuously optimize the workpieces of our customers.

«Facts & Figures»

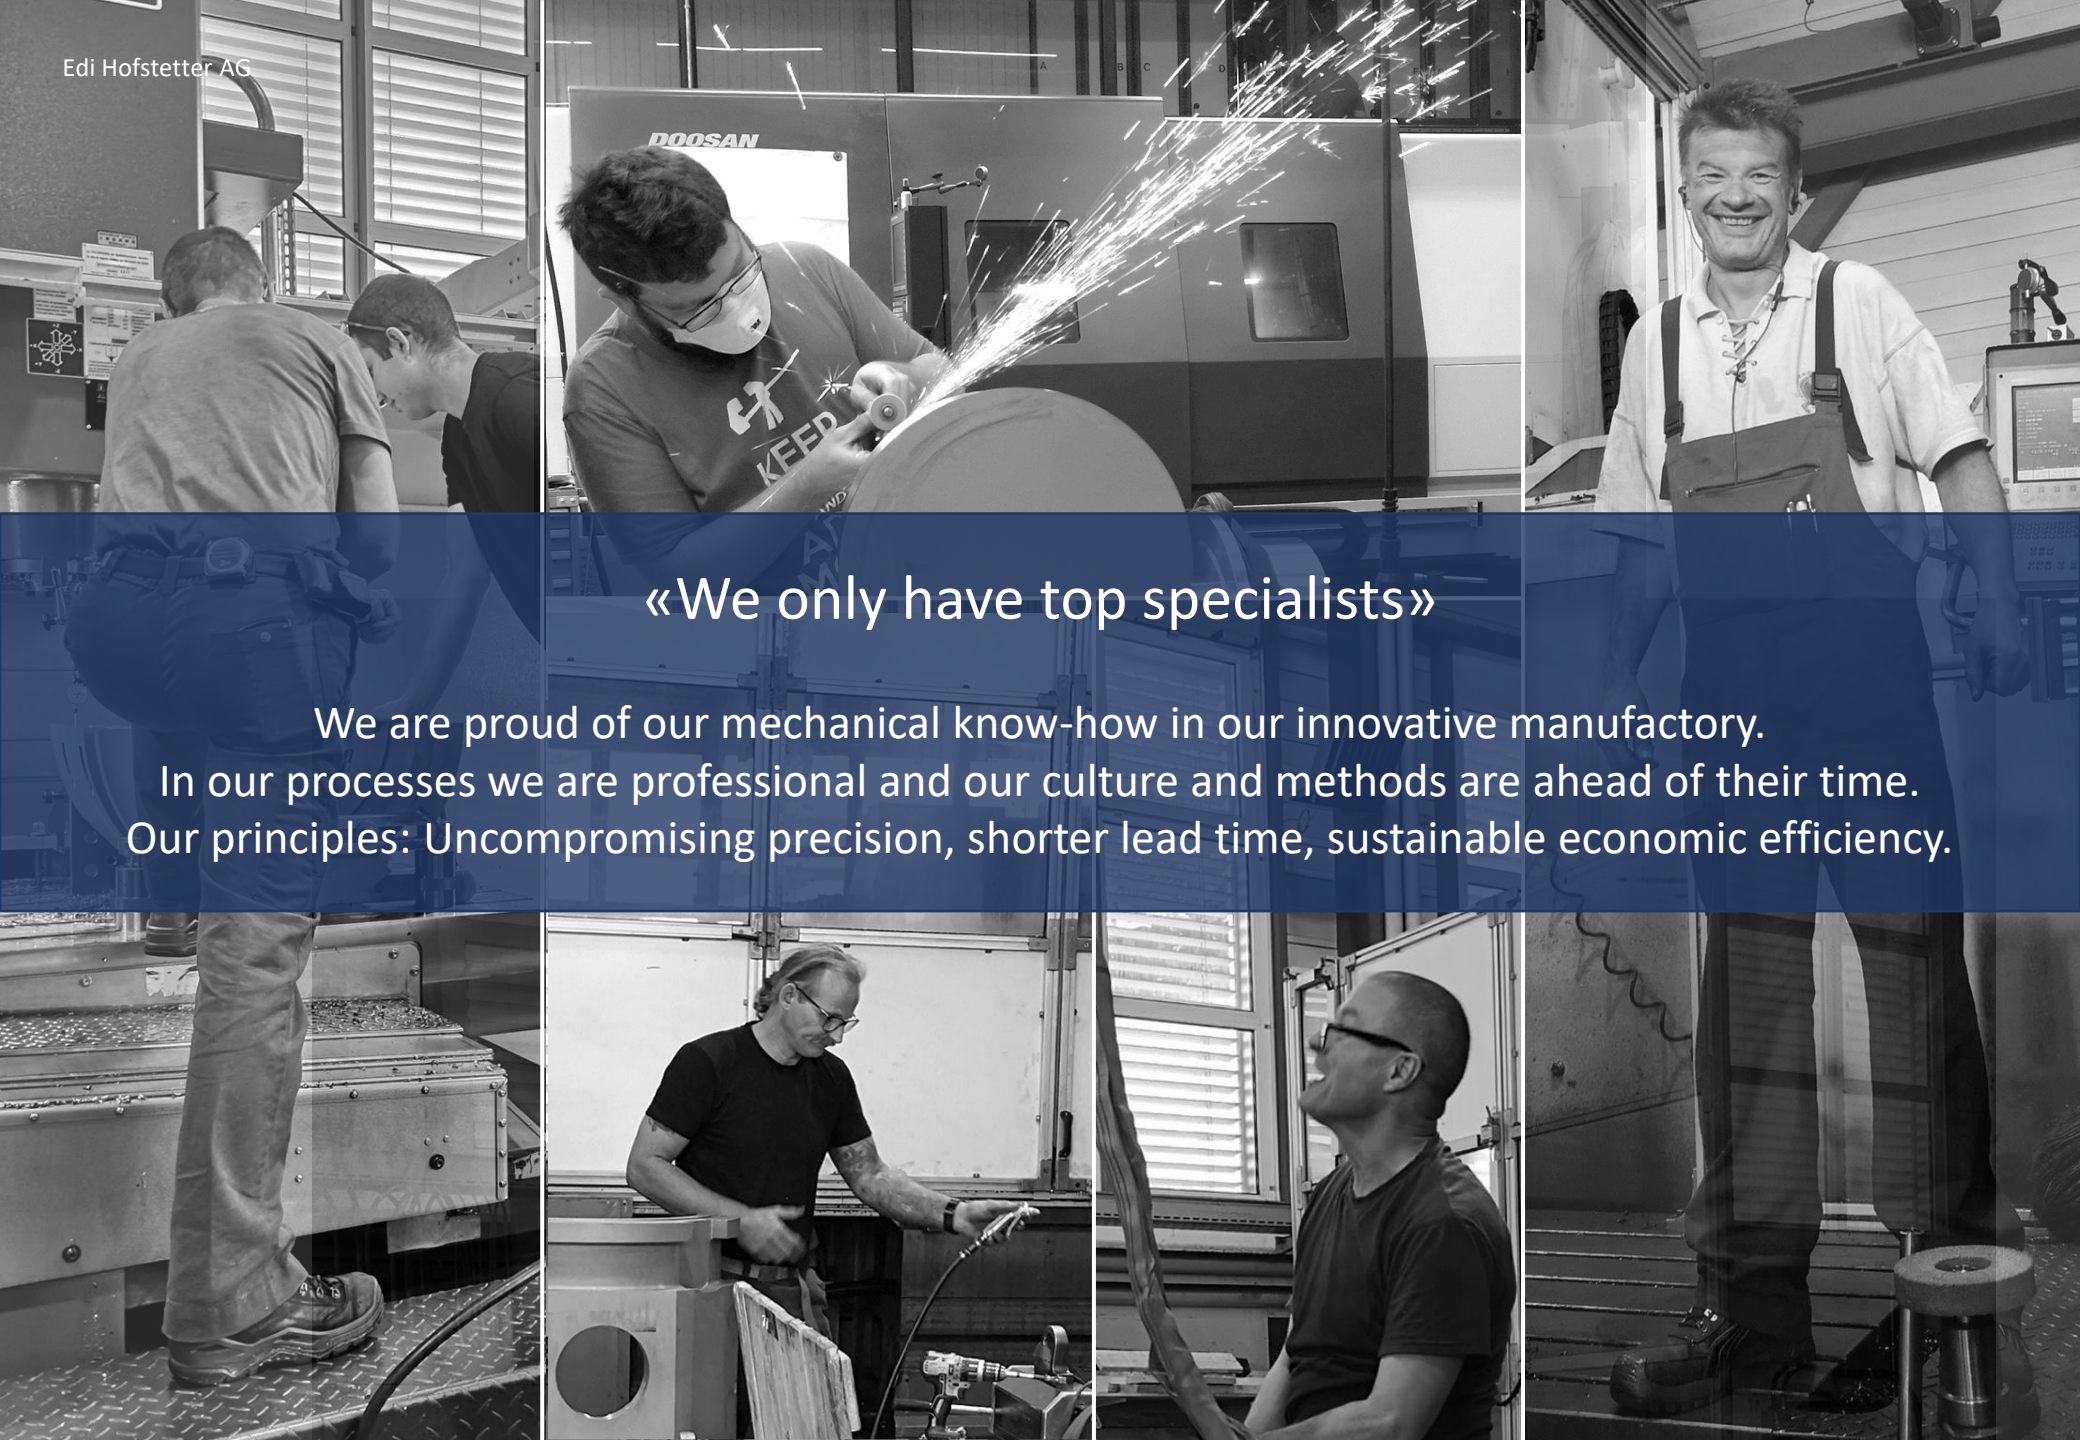
Founding	1946
Building area	2’000m2
Employees	10-12
Sectors	machinery, facilities, infrastructure, r&d, tools and more
Turning horizontal	∅ 1’000 x 2’500
Turning vertical	∅ 2’500 x 2’000
Milling, drilling	4’200 x 1’200 x 3’000
Deep hole drilling	3’500, ∅ 36
Surface grinding	2’800 x 1’200 x 600
Round grinding	∅ 300 x 1’800
More	polishing, honing, welding, measuring, sourcing, co-engineering, repairing and more



«High performance machining with high precision finish»

We manufacture workpieces in the tightest tolerances up to 0.005mm and a surface polished up to Ra 0.1. We often find solutions to implement the unimaginable.

Edi Hofstetter AG



«We only have top specialists»

We are proud of our mechanical know-how in our innovative manufactory.
In our processes we are professional and our culture and methods are ahead of their time.
Our principles: Uncompromising precision, shorter lead time, sustainable economic efficiency.

«Professionalism in all matters»

We are used to the gapless documentation of workpieces - from the material certificate to the test plan.

For us, secrecy is just as much a part of our daily business as proof of the origin of the goods.

SWISO

Zertifikat

Die Zertifizierungsstelle SWISO GmbH bescheinigt hiermit, dass nachstehend genanntes Unternehmen über ein Managementsystem verfügt, welches den internationalen Normen für Qualitäts- und Umweltmanagementsysteme ISO 9001 und ISO 14001 entspricht und erteilt dem Unternehmen

Edi Hofstetter
Werkzeug- und Maschinenbau AG
CH-8717 Benken

gestützt auf das Auditergebnis das

Management Zertifikat gemäss ISO 9001:2015 und ISO 14001:2015

Das Qualitäts- und Umweltmanagementsystem umfasst:

Fertigung, Optimierung sowie Reparatur von präzisen mechanischen Bauteilen und Baugruppen.

Während der dreijährigen Gültigkeit des Zertifikates muss das Managementsystem des Unternehmens die Forderungen der internationalen Norm dauernd erfüllen, was durch SWISO regelmässig überwacht wird.

SWISO GmbH, Obere Holzgasse 5, CH-5212 Hausen, 07.09.2020
Dieses Zertifikat hat Gültigkeit bis und mit 06.09.2023
Registrierungs-Nummer 0602030B
Erstzertifizierung: 03.01.2000
